Workers' Compensation

A contractor with one or more employees must submit proof of workers' compensation insurance. In most cases employers must submit a certificate of insurance showing an effective date and listing the Division of Labor as a certificate holder. A self-insured contractor shall submit a [Certificate of Relief](#) from the Iowa Insurance Division.

Out-of-State Contractors

Out-of-state contractors must file a \$25,000.00 surety bond at the time of registration. The bond must meet three criteria in order to be valid: 1) the bond must be executed by a surety company licensed to do business in Iowa, 2) the bond must be issued on the [Out-of-State Bond form](#) provided at www.iowacontractor.gov with the bonding company's seal and two original signatures, and 3) the bonding company must attach their Power of Attorney (POA) to the form. Once we have accepted a valid bond, we consider it continuous until we receive a bond cancellation from the bonding company. If an out-of-state contractor is pre-qualified to bid on projects for the Iowa Department of Transportation (DOT), they may submit their DOT-issued pre-qualification letter in lieu of a bond.

Fee Exemption

Sole-proprietors and single member LLC contractors who meet the specific criteria may send a completed signed and notarized Fee Exemption form instead of payment. To qualify for registering without payment, a self-employed contractor must not work with or for other contractors in the same phases of construction and must not pay more than \$2,000.00 per year to employ others. Single- member LLCs must submit proof of single member status.

Online Public Portal

You may pay for your annual \$50.00 non-refundable registration fee and submit your renewal/application online at <https://contractor.iowa.gov>. You will need to set up an online account prior to submitting your application and payment.
